May I point out that I expect a Fee Waiver because I am on SSI, crippled, disabled, Oregon Health Plan, below the poverty level, etc.? Do you not grant Fee Waivers based on SSI, crippled, disabled, Oregon Health Plan, below the poverty level, etc.?

May I also demand a Stay for Execution for the [11] Order being appealed? So that the State Court lacks jurisdiction?

May I also demand a Stay for Execution for the [17] Magistrate's Order being appealed? So that I still have "ECF filing privileges"?

May I point out that both STACIE F. BECKERMAN and MICHAEL H. SIMON failed and refused to answer my questions??

**RESCINDING AND REVOKING ANY AND ALL POWERS FOR ATTORNEY**

May I give notice that I hereby rescind and revoke any and all Power(s) for Attorney that I may have ever granted in the past to anyone, including any and all Power(s) for Attorney assumed, presumed, by anyone in any court panel?

May I give notice that in document [13], Notice for Appeal, I gave Michael Simon notice that I hereby rescind and revoke any and all Power(s) for Attorney that I may have ever granted

in the past to anyone, including any and all Power(s) for Attorney assumed, presumed, by anyone in any court panel?

May I point out that I have never knowingly, willingly nor voluntarily granted any Power for Attorney to anyone in any court system?

Hereby, if you don't mind, I am disavowing and disaffirming, back to the date for infancy, am I not?

Does anybody object if I reserve the right to change or amend this document for errors and omissions consistent with intent? With all rights reserved without prejudice? And if I am misguided by my own conscience, then you will correct me, will you not?

In pursuance to 28 USC 1746, may I hereby declare under penalty for perjury under the laws for the United States that the foregoing is true and correct, and executed on 12 February, 2020?
